UNRAVEL

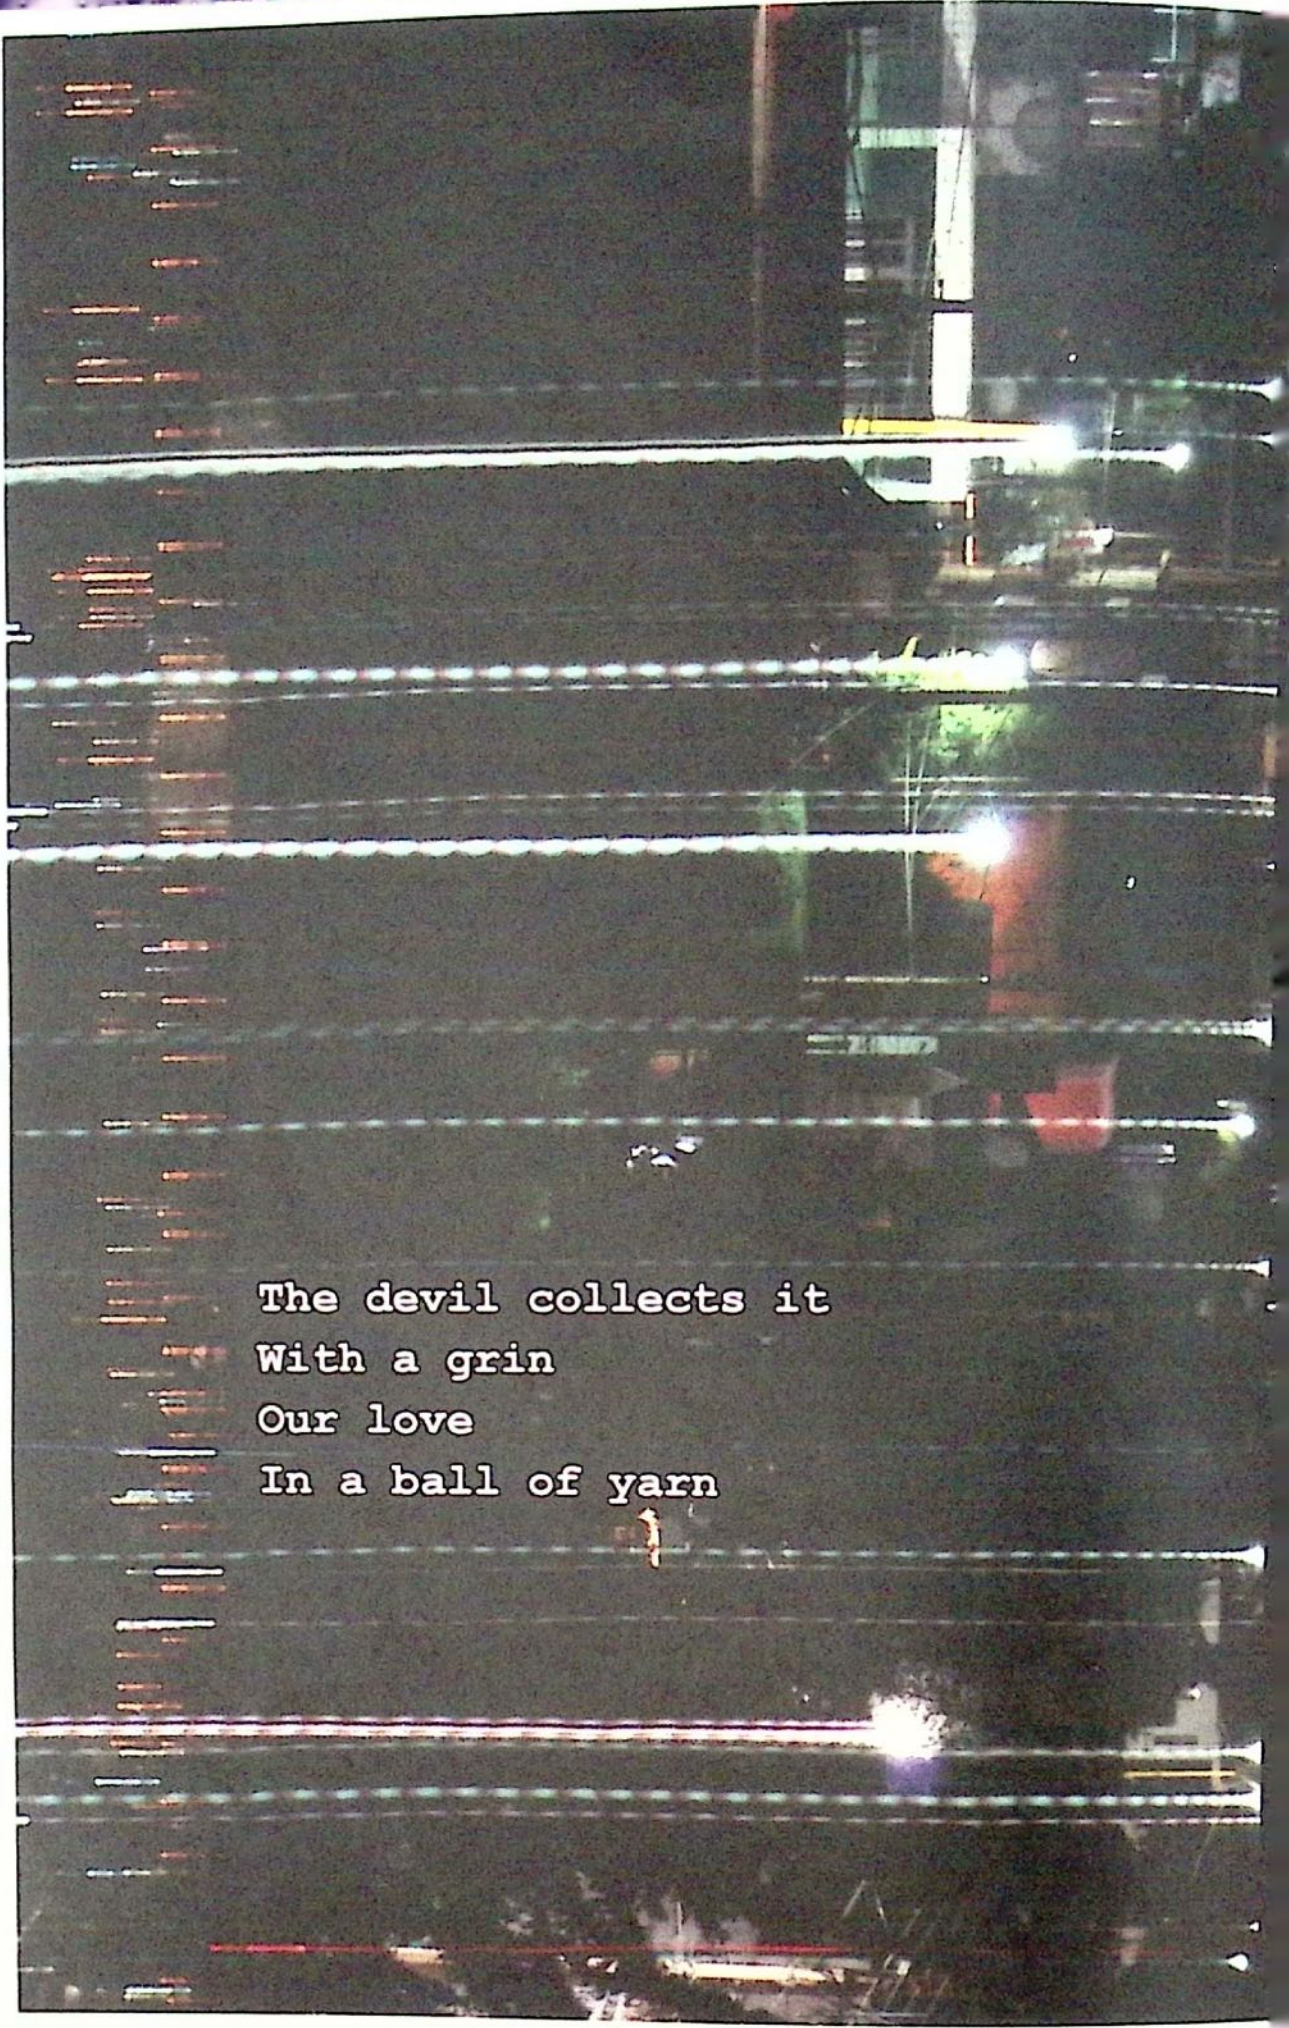

While you are away
My heart comes undone
Slowly unravels
In a ball of yarn

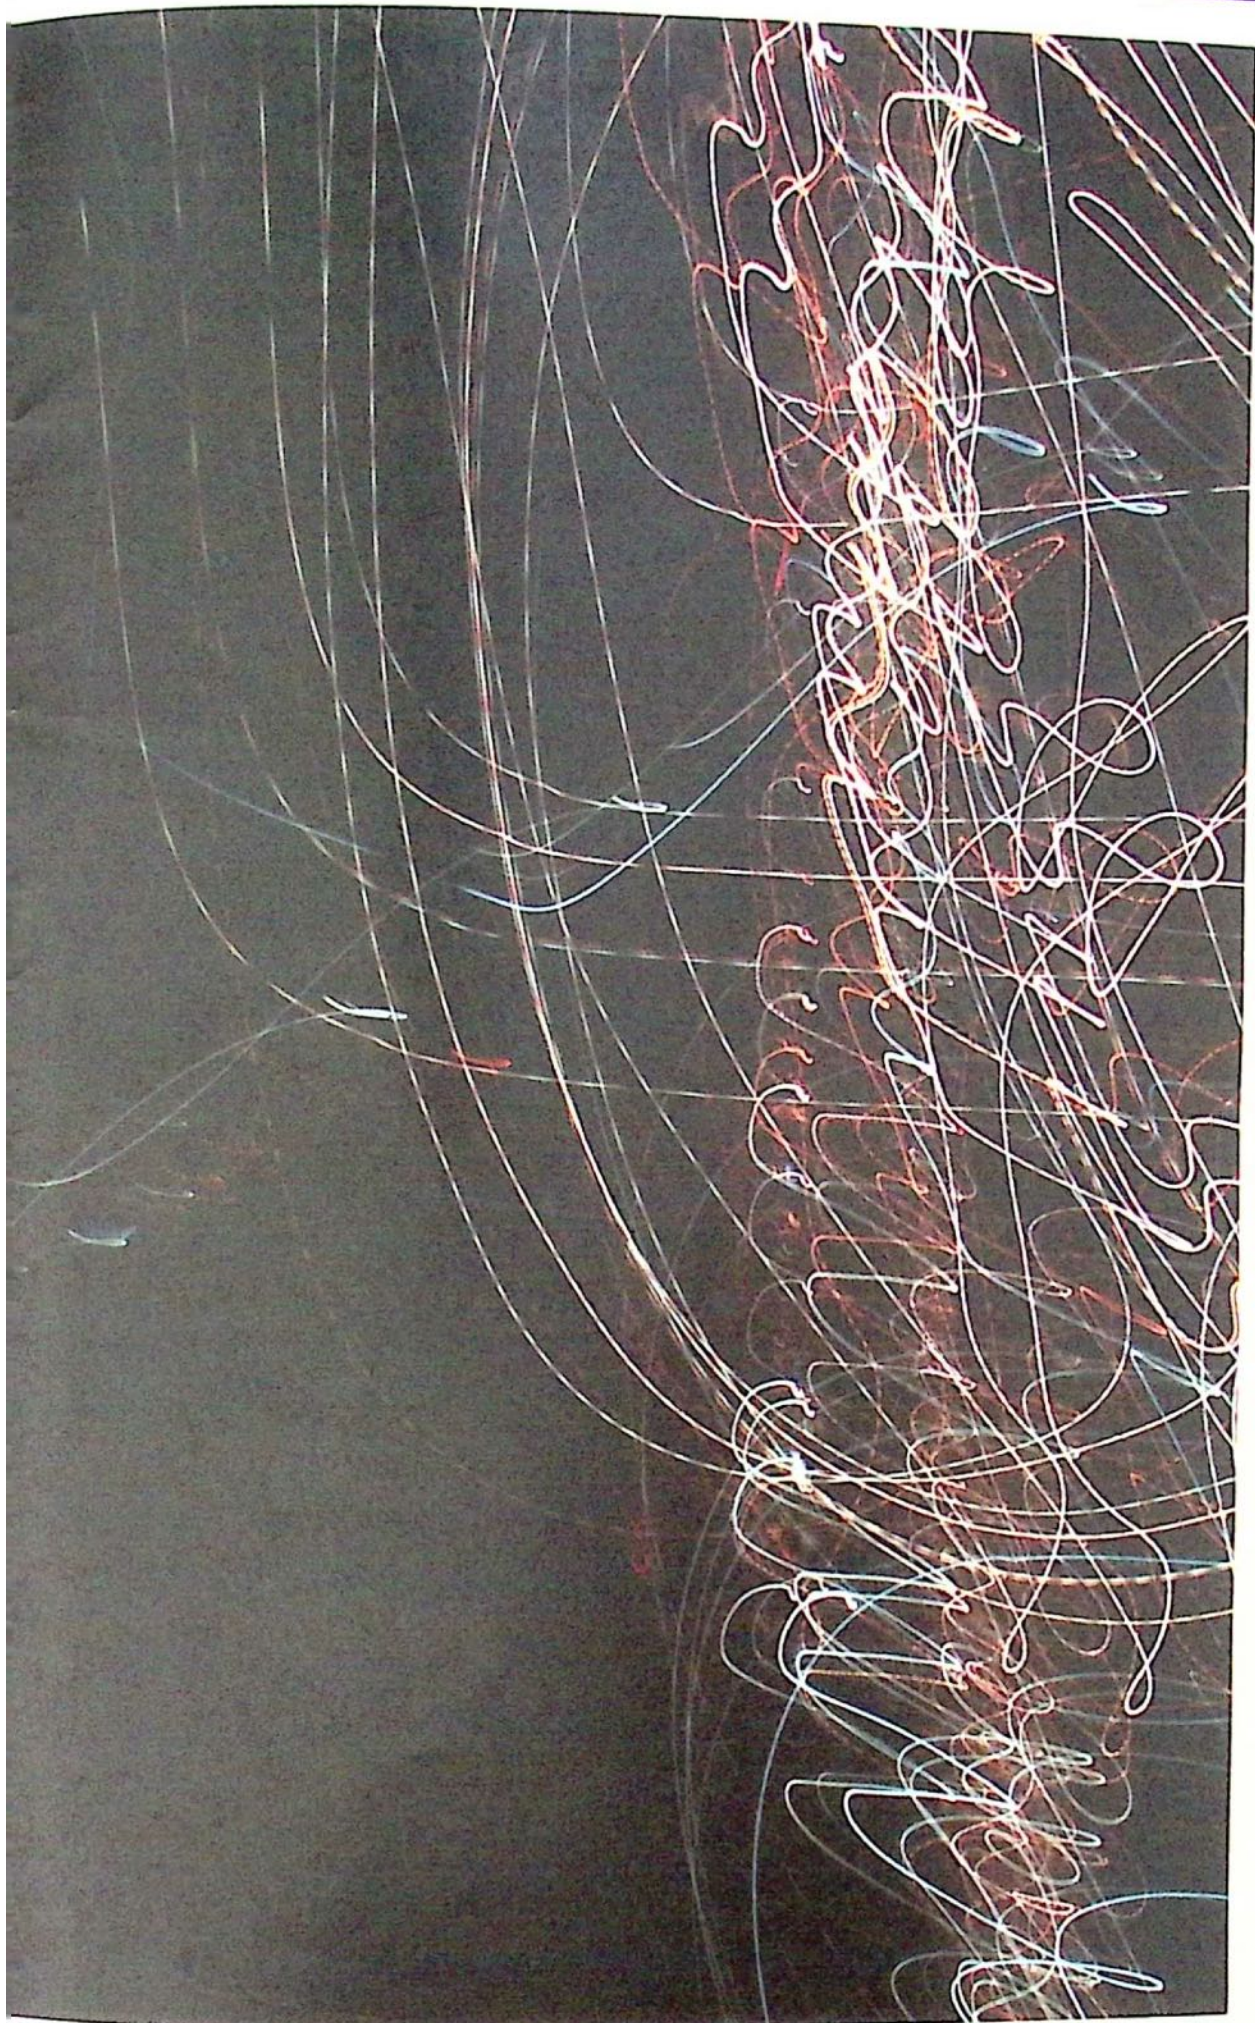

A dark, grainy night photograph of a city street. The image is characterized by horizontal light trails from moving vehicles, suggesting a long exposure. In the background, a tall building with some lit windows is visible. The overall scene is dark and atmospheric.

The devil collects it
With a grin
Our love

A dark, grainy night photograph of a city street. The image is heavily blurred, showing horizontal streaks of light from streetlights and traffic. In the background, a building with some lit windows is visible. The overall tone is dark and moody.

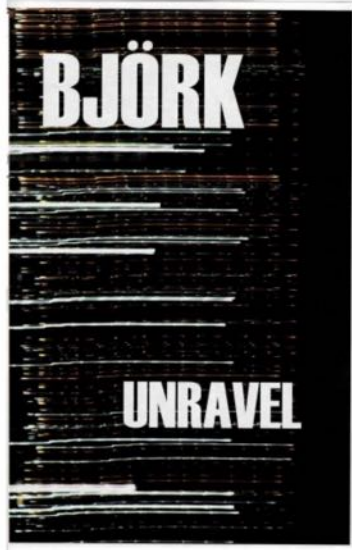

The devil collects it
With a grin
Our love
In a ball of yarn
